Jon Michael McGrath
USA Shooting Team Member
World Cup Gold Medalist

Come to this fun event and **meet USA Shooting National Team members** Corey Cogdell, 2008 Olympic Bronze Medalist and Jon Michael McGrath, 2011 World Cup Gold Medalist. This is a fantastic opportunity to receive expert training (both introductory training for brand new shooters and specific training for experienced shooters) by the Scholastic Clay Target Program (SCTP) Directors of Development and Massachusetts SCTP coaches.

You will also have the chance to talk with Corey and Jon Michael, hear about how they started as an SCTP shooter, learn about

their journey to becoming a USA Shooting Team member and all of the great experiences they have had while on this journey.

Brand New Shooters Welcome Bring Your Friends!

-  Any new SCTP teams that sign up at the clinic will be awarded a \$10,000 endowment from the Midway USA Foundation!
-  Current SCTP athletes - if you bring a friend and they sign up for your team, your team will receive a \$500 endowment for each new shooter! So, bring a friend along and show them how much fun shooting can be!
-  For more information, please email Hank Garvey at hgarvey@comcast.net or call 978-270-8300 or visit nejjss.com
